clean-ups (The  
Netherlands)

**1**

Article  
(Poland)

# 1.3. List other organisations engaged in outreach relevant to the ASCOBANS area.

## 1.4. List other initiatives/work/collaboration relevant to the ASCOBANS area that are not included in the above.

Nothing to report.

# 1.5. List any gaps in your country's outreach to the ASCOBANS area. What would be needed to fill these gaps?

Shortage of resources  
(Finland)

More outreach required  
for the Baltic Proper  
harbour porpoise  
(Denmark)

## 1.6. Resources permitting, are there any materials that you think the ASCOBANS Secretariat should produce?

A national pamphlet on harbour porpoises specifically for each country (Denmark)

A summary of pressures that harbour porpoises face, their impacts and mitigation strategies (Germany)
