

1.4. Opening of the Scientific Session

- Guidance on formulation of Action Points and Recommendations

- Comes from the Advisory Committee
- Can be directed at Parties, Secretariat, Working Groups – and to AC itself
- Action Points
 - “The Secretariat to...” – not “the AC instructs the Secretariat to...”
 - “The Advisory Committee to draft a resolution...”
- Recommendations
 - “Parties are encouraged to...”
 - “Further work is recommended in developing...” → better formulated as above
- Order
 - Action Point / Recommendation first, then context / background if needed
