

1.8. Provide details relevant for recorded stranding events during the reporting period.

The international Whaling Commission (IWC) has a global database for ship strike incidents with small cetaceans. Whether or not your country is Party to the IWC, it is encouraged for countries to provide all ship strike incident information to the IWC database. Add rows if necessary.

| Year | Species (Select from drop-down) | Region (Select from drop-down) | Total animals stranded | Number of dead animals | Number of animals stranding alive | Response to live stranding (describe # of successful cases and methods used) |
|------|------------------------------------|-----------------------------------|---------------------------|---------------------------|--------------------------------------|---|
| 2025 | HP - Harbour Porpoise | UK | 386 | 376 | 10 | Four died on beach; five euthanised; one refloated |
| 2025 | CD Short-beaked Common dolphin | UK | 300 | 269 | 31 | 17 died on beach; nine euthanised; five refloated |
| 2025 | LFPW Long-finned pilot whale | UK | 40 | 38 | 2 | Two died on beach |
| 2025 | SD Striped dolphin | UK | 17 | 13 | 4 | Two euthanised; two refloated |
| 2025 | RD Risso's dolphin | UK | 15 | 13 | 2 | Two euthanised |
| 2025 | BD Bottlenose dolphin | UK | 12 | 11 | 1 | One refloated |
| 2025 | WBD White-beaked dolphin | UK | 8 | 7 | 1 | One died on beach |
| 2025 | NBW Northern bottlenose whale | UK | 4 | 4 | 0 | |
| 2025 | AWSD Atlantic white-sided dolphin | UK | 3 | 0 | 3 | Two died on beach; one euthanised |
| 2025 | SBW Sowerby's beaked whale | UK | 3 | 2 | 1 | One died on beach |
| 2025 | CBW Cuvier's Beaked Whale | UK | 2 | 2 | 0 | |
| 2025 | PSW Pygmy sperm whale | UK | 2 | 1 | 1 | One euthanised |
