Ongoing initiatives

→ **Creation of a specific Task Force**

Resolution 7.14

- *"Encourage the creation of a permanent expert panel on strandings to assist on emergencies and unusual mortality* => establishment of an ACCOBAMS **expert panel on strandings to assist with emergencies and unusual mortality events (Task Force)**

- → **Telenecropsy**

- Encourage the development of new tools (…) having a potential for strandings early warning and/or preliminary action => development ***of telenecropsy (in Morocco as Pilot Country)***
